To Shareholders and, for information purposes only, to the holders of options under the Pennant share option schemes

Dear Sir or Madam,

Renewal of approval of waiver of obligations under Rule 9 of the City Code

Authority to purchase Ordinary Shares

On 4 May 2006, the Company obtained Shareholders' authority to purchase up to 15 per cent. of the Ordinary Shares in issue as at that date. That authority expires at the conclusion of the 2007 AGM. A resolution will be proposed at the 2007 AGM to renew that authority. The purpose of this document is to seek Independent Shareholders' approval of the renewal of the waiver of obligations under Rule 9 of the City Code.

The maximum price (exclusive of expenses) which may be paid for an Ordinary Share is an amount equal to 105 per cent. of the average of the middle market quotations for an Ordinary Share as at the close of business for the five business days immediately preceding the day on which the Ordinary Share is purchased. The minimum price (exclusive of expenses) which may be paid for an Ordinary Share is 5 pence. Such market purchases of Ordinary Shares by the Company would be made from the Company's distributable reserves and any Ordinary Shares purchased would be either cancelled or held by the Company in treasury as treasury shares, to a maximum of 10 per cent. of the issued ordinary share capital of the Company. Such treasury shares may be subsequently sold for cash, transferred pursuant to, or for the purposes of, an employees' share scheme or cancelled. For such time that any Ordinary Shares may be held by the Company in treasury, the voting and dividend rights attaching to those Shares will be suspended.

Any purchase of Ordinary Shares would be at the discretion of the Board in the light of prevailing market conditions. However, Shareholders should not assume that any such purchases will necessarily take place.

On 22 May 2006 the Company sold its entire holding of 434,000 Ordinary Shares. Between that date and the date of this document, the Company has made market purchases amounting to 468,000 Ordinary Shares and therefore has residual authority under the resolution passed by Shareholders on 4 May 2006 in respect of a further 4,266,900 Ordinary Shares. The Company may use some or all of this residual authority prior to the EGM. The shares bought back by the Company are held in treasury and any additional shares bought back by the Company hereafter may be held in treasury where they will be available for sale or to satisfy possible future requirements arising from the Group's share option scheme. This is the only holding of treasury shares the Company has as at the date of this document.

Information on Mr Powell and his Concert Party

Christopher Powell, the Chairman of the Company, members of his immediate family and pension funds established for his and his wife's benefit hold 10,301,533 Ordinary Shares, comprising 32.67 per cent. of the issued ordinary share capital of the Company.

Should the Company not buy back any more Ordinary Shares under the authority conferred by Shareholders on 4 May 2006, the number of Ordinary Shares in issue at the date of the EGM will remain at 31,532,000 and, accordingly, the proposed authority under the Buyback Resolution will be sought in respect of 4,729,800 Ordinary Shares. If the Company does not utilise any more of the existing authority from Shareholders to purchase Ordinary Shares but does purchase Ordinary Shares to the full extent of the authority to be conferred by the Buyback Resolution the aggregate number of Ordinary Shares in which Mr Powell and Mr Powell's Concert Party are interested, namely 10,301,533 Ordinary Shares would represent approximately 38.44 per cent. of the Ordinary Shares then in issue.

However, should the Company purchase the remaining 4,266,900 Ordinary Shares it is permitted to purchase under the resolution passed on 4 May 2006, the number of Ordinary Shares in issue at the date of the EGM will be 27,265,100 and accordingly the proposed authority under the Buyback Resolution will be sought in respect of 4,089,765 Ordinary Shares. If the Company does utilise the balance of the authority to purchase Ordinary Shares conferred by the resolution passed on 4 May 2006 and the full extent of the authority to be conferred by the Buyback Resolution, the interest of Mr Powell and Mr Powell's Concert Party in 10,301,533 Ordinary Shares would represent approximately 44.45 per cent. of the Ordinary Shares then in issue.

For the purposes of the City Code, Mr Powell and his Concert Party are deemed to be a concert party with regard to their interests in the issued share capital of Pennant.

Under Rule 9 of the City Code, any person who acquires an interest (as such term is defined in the City Code) in shares which, taken together with the shares in which he and persons acting in concert with him are interested, carry 30 per cent. or more of the voting rights in a company which is subject to the City Code is normally required to make a general offer to all of the remaining shareholders to acquire their shares. Similarly, when any person, together with persons acting in concert with him, is interested in shares which in aggregate carry not less than 30 per cent. but does not hold shares carrying more than 50 per cent. of the voting rights of such a company, a general offer will normally be required if any further interests in shares are acquired by any such person. Such an offer would have to be made in cash at a price not less than the highest price paid by him, or by any member of the group of persons acting in concert with him, for any interest in shares in the company during the 12 months prior to the announcement of the offer. Under Rule 37 of the City Code, any increase in the percentage holding of a shareholder which results from a company buying back its own shares will also be treated as an acquisition for the purpose of Rule 9 of the City Code. A shareholder who is a director of the company will, in such circumstances, incur an obligation to make a mandatory offer unless the consent of the Panel to a waiver of such an obligation can be obtained.

Waiver of the obligation to make a mandatory offer under Rule 9 of the City Code

The Panel has agreed, subject to the Whitewash Resolution being passed on a poll by the Independent Shareholders at the EGM, to waive the requirement under Rule 9 of the City Code for Mr Powell and his Concert Party, collectively and/or individually, to make a mandatory offer for the Ordinary Shares not already owned by them or persons connected with them as would otherwise arise were the Company to implement its authority to make market purchases under the Buyback Resolution (assuming that the Buyback Resolution is duly passed at the 2007 AGM). For the avoidance of doubt, this waiver applies only in respect of increases in the shareholdings of Mr Powell and his Concert Party resulting solely from market purchases by the Company of its own Ordinary Shares, where the market purchases are made pursuant to the Buyback Resolution. The waiver does not apply to any other authority sought for the Company to purchase its own Ordinary Shares after the date of the EGM or any shareholding increase in relation to any Shareholder other than Mr Powell and his Concert Party.

The Independent Directors believe that it is in the best interests of the Company that the Whitewash Resolution be passed so as to make the authority under the Buyback Resolution, once granted, fully utilisable.

Intentions of Mr Powell and his Concert Party

Mr Powell and his Concert Party are not intending to seek any changes to the Board and have confirmed that it would be their intention that, following any increase in their proportionate shareholding as a result of a purchase of Ordinary Shares by the Company, the business of the Company would be continued in substantially the same manner as at present, with no major changes. With this in mind, there will be no repercussions on employment or the location of Pennant's places of business and no redeployment of Pennant's fixed assets. Mr Powell and his Concert Party are also not intending to prejudice the existing employment rights, including pension rights of any of the employees or management of the Group nor to procure any material change in the conditions of employment of any such employees or management.

Current trading and prospects

Information on current trading and future prospects of the Company is set out in the Chairman's Statement and Business Review in the 2006 Annual Report and Accounts sent with this Circular to Shareholders.

EGM

You will find set out at the end of this document a notice convening the EGM for 10.45 a.m. on 10 May 2007, or as soon thereafter as the 2007 AGM has concluded, in order to consider the Whitewash Resolution. **Mr Powell and his Concert Party may attend the EGM but will not vote on the Whitewash Resolution, which will be taken by means of a poll.**

Action to be taken

A form of proxy for use in connection with the EGM is enclosed. Whether or not you intend to attend the EGM, it is important, particularly in view of the fact that the Whitewash Resolution to be put to the Meeting will be determined by a poll, that you duly complete, execute and return the enclosed form of proxy, by hand or by post, to Capita Registrars plc, Proxy Department, Northern House, Woodsome Park, Fenay Bridge, Huddersfield, West Yorkshire, HD8 0LA in accordance with the instructions printed thereon.

To be valid, the completed form of proxy must be returned as soon as possible and, in any event, so as to arrive not less than 48 hours before the time for holding the meeting. Completion and return of a proxy form will not prevent Independent Shareholders from attending and voting at the EGM in person should they wish to do so.

Further information

Your attention is drawn to Part II of this document which contains further information relating to Pennant and to the 2006 Annual Report and Accounts sent with this Circular to Shareholders.

Recommendation

The Independent Directors, who have been so advised by W.H. Ireland, consider that the waiver of the obligation that Mr Powell and his Concert Party might otherwise incur, as a result of the Company making market purchases, to make a general offer for the whole of the share capital of the Company is fair and reasonable and is in the best interests of the Company and Shareholders as a whole. Accordingly, the Independent Directors unanimously recommend that Independent Shareholders vote in favour of the Whitewash Resolution at the EGM as they intend to do in respect of their entire holdings which amount to 761,552 Ordinary Shares (representing approximately 2.42 per cent. of Pennant's issued ordinary share capital). In providing advice to the Independent Directors, W.H. Ireland has taken into account the Independent Directors' commercial assessments.

Yours faithfully

S Max Pearce

Non-Executive Director
